

Hooves for a Cure

October 3, 2009

Join the NATIONAL TRAIL RIDE to raise money for breast cancer research.....taking place right here in southwest Ohio!

Hooves for a Cure hosts an annual ride to benefit breast cancer research. These rides take place all across the United States on the same date and time, joining together thousands of horseback riders with a common cause. Show your support – and enjoy a day on the trails with friends!

Come ride with us and raise funds to fight breast cancer through the Susan G. Komen Foundation...increase awareness, assist in research, and provide mammograms for uninsured women! Round up a group of riding buddies, pack a lunch and enjoy a beautiful fall day with your horse and your friends...riding for a cause!
